Ottawa Hills, St. Paul Suit Up For Showdown

Bears Going Against Big Norwalk Club

By MIKE TRESSLER
Blade Sports Writer

Ottawa Hills High is back in high gear.

The Green Bears have disposed of Otsego, easily.

The Lakeshore Conference championship is within sight, to follow a series of Seaway Conference titles for the suburban Toledo school.

Jim O'Hara is back in form. Bring on Norwalk St. Paul.

"No reason we can't whip one of the best Class A teams in the state," Ottawa Hills coach Norm Neidermeier says.

St. Paul is a member of the new Lakeshore Conference but not a contender for the crown since it wasn't able to schedule enough league opponents this year.

If the Norwalk powerhouse was in the title drive, only Ottawa Hills would stand in its way.

So instead, Saturday's clash at Norwalk is a prestige match, a game to answer a lot of questions in northwestern Ohio.

With last week's 50-20 victory over second-place Otsego, the Green Bears went 6-0 in the Lakeshore loop and took a two-game lead in the standings.

O'Hara scored three touchdowns and rushed for 102 yards on 16 carries. In his first game since the illness that sidelined him for two weekends, he gained 113 yards in 11 runs against Liberty Center.

During O'Hara's absence, the Bears dropped their only decision, to Northern Lakes League leader Perrysburg.

St. Paul went up to 8-0 on the season with its victory over Northwood.

The Associated Press ranks St. Paul No. 4 in the state among Class A teams. Ottawa Hills is in the 19th spot.

The Blade's rating of northwest Ohio teams, however, has Ottawa Hills No. 2 and the Norwalk club fourth.

On the Ottawa Hills plus side was the emergence last week of quarterback John Lumm as a bona fide passing threat. Lumm threw for 126 yards, his highest total of the season

Jackets Sting Ottawa Hills

By MIKE TRESSLER
Blade Sports Writer

Perrysburg High came to life after a listless first half to pound Jim O'Hara-less Ottawa Hills to its first defeat Friday.

The rejuvenated Yellow Jackets crunched through the Greer Bears and turned Jack Parry loose at just the right times to take a 20-0 non-Northern Lakes League victory.

It bore out what Perrysburg coach Joe Westenkirchner has been trying to say all season—his troops don't intend to take guff from anybody.

O'Hara, Ottawa Hills' superback, is home in bed with mononucleosis. He missed Friday's affair and will probably be out of action for several more weeks.

But even with him, it's doubtful the Green Bears could have witbstood the antics of Westenkirchner's roughnecks.

"These are my kind of kids," big Joe said. "They're hitters, tough, hard hitters."

Perrysburg first drew blood in the second period following a 40-yard punt return by quarterback Marty Bachman. From the 14, bruising fullback Dan Altman charged in unmolested.

It was the only first-half bright spot for the Jackets.

Parry, a dancing 172-pound running back, skittered 43 yards down the sidelines to ignite the Jackets in the third quarter.

He actually went all the way but had stepped out of bounds at the Hills' 16-yard line and it was called back.

No matter. After Altman went up the middle for two yards, Parry again broke free around left end and skipped into the end zone.

After that, everything went Perrysburg's way.

Parry raced 12 yards in another drive and two plays later tiptoed down the left sideline to the end zone. But an official again detected his foot on the lime line and the ball was whistled back to the 22.

Dick Donnan tossed 23 yards to Jim Hoste for the touchdown.

The closest Ottawa Hills got was to the Perrysburg seven in the first half. A fumble stalled that threat.

"We had the chance," Hills' coach Norm Niedermeie said. "But we blew it.

"Did missing O'Hara make us a bit disorganized? Well, it made us a heckuva lot weaker.

"Perrysburg is awful tough. The team that beats them is a good team."

Westenkirchner's defensive marauders, particularly Altman, Bachman, and end Al Hupp, smothered the Hills ambitions.

The well-drilled Bears had Westenkirchner worried at halftime, until his game came to life.

"We just plain stunk the first half," Joe said. "But the third quarter we came out to play football."

Woodville Bows To Ottawa Hills

Ottawa Hills scored all its points in the first half Friday with a balanced scoring attack to down Woodville, 26-6, at Woodville. Five men scored for the Green Arrows as they coasted to their third win of the year without a loss.

Ben Durfee, Dick Thal, and Mike Miller tallied on runs of 6, 48, and 1 yards, respectively, while Doug Nouse ran an intercepted pass back 47 yards to lead the Arrows. Byron Rudy added a two-point conversion.

Tim Harmon scored on a 20-yard pass play from Bill Runyan for Woodville, now 0-3 on the year.

Green Bears Maul Elmore, 56-12

By MIKE TRESSLER
Blade Sports Writer

The era of O'Hara ended Friday night, the way it started—spectacularly.

Jim O'Hara, Ottawa Hills' perpetual man in motion, finished his prep career by leading the once-beaten Green Bears in a 56-12 mauling of little Elmore.

It was strictly no contest.

Already champions of the Lakeshore Conference, the Green Bears mopped up the cellar team with almost everybody getting into the act.

Ottawa Hills coach Norm Niedermeier played all 46 men on his team, and put the scrubs in early.

The victory, on the heels of last week's astounding 41-14 whipping of previously unbeaten and state-ranked Norwalk St. Paul, closed out a 9-1 season.

Niedermeier's teams have won 17 of their past 19 games and are 23-5 for the past three seasons.

The Bears won Seaway Conference titles the past two years.

O'Hara set off two touchdown explosions the first two times he handled the ball.

Any hopes coach Bill Lindeman's Elmore troops had of making things tough for Ottawa Hills fizzled in the early minutes.

The first time O'Hara carried the ball, he broke right on a counter play and stepped off 30 yards to the end zone.

Minutes later, following an interception by Mike Miller, O'Hara took the ball and turned the left corner for 74 yards and a touchdown.

The big 198-pound halfback scored twice more, on a 48-yard scamper with an intercepted pass, and on the end of a 27-yard pass play from quarterback John Lumm.

Offensively, O'Hara was used very sparingly.

He carried the ball on just seven plays.

. . . for 186 yards.

"He almost isn't human," Lindeman said. "He's too good for this league and without question an all-state player, Class A or double-A."

Lindeman, in his first season as Elmore's head coach, is literally rebuilding the football program from the ground up and started just one senior on his offense.

Later, with all the offensive to illness. In seven games he rushed for 811 yards and 16 touchdowns.

In his junior season, the former kid swim star collected 1,055 yards running.

Neidermeier admitted his team wasn't fired up for the game following the big one last week.

"We played a good game but it was hard to get much spark after Norwalk. I've never seen a team as high as last week. We played flawless ball."

Still, the Green Bears did little that hurt them.

Lumm hit end Rich Hawkins with an eight-yard scoring pass, on the heels of a 41-yard pitch to Hawkins.

Lumm, the all-around back himself, picked off a pass and raced for a 55-yard touchdown late in the second period.

Bruising fullback Ben Durfee took the Bears downfield with off tackle cracks and went in from the one for another tally and Miller fired in from 43 yards out for another.

Six different Hills players figured in the extra point scoring.

Elmore's fine junior back, Don Harms, crashed through the middle and outran the secondary for 35 yards and his team's first TD.

Fullback Rex Durdel, a junior, tossed 46 yards to Tom Sprouse for the other.

Arrows Record 4th Straight Win

Ottawa Hills chalked up its fourth straight victory by smashing Lakeside, 36-8, in a Lake Shore Conference game on the winners' field Friday night.

Jim O'Hara scored a pair of touchdowns and added four extra points to pace the Arrows. Mark Casel scored the lone touchdown for the losers who are now 1-3.

Ottawa Hills	8	16	12	0	—36

OH—O'Hara 5 run (O'Hara run)
OH—Durfee 1 run (O'Hara run)
OH—Parker 20 pass from Lumm (Thal run)

JIM O'HARA, who earned Class 'A' All-Ohio honors as a halfback at Ottawa Hills, will pick up another award at the annual Scholar-Athlete Awards Dinner of the Toledo Chapter of the National Football Foundation and Hall of Fame Dec. 27th at the Toledo Club. O'Hara, who led Ottawa Hills to the Lakeshore Conference champion, will receive an award as the "Back Of The Year."

Lumm's Passing Paces OH Win

Quarterback John Lumm passed for three touchdowns and scored another as Ottawa Hills rolled to a 46-8 triumph over Grand Rapids Saturday night.

Dick Thal scored two touchdowns for the winners, who are now 5-1 on the season.

The victory kept the Green Bears atop the Lakeshore Conference with a 4-0 league mark.

End Bob Dorrell gathered in a 23-yard Lumm pass for the first OH tally. Lumm followed that with a 20-yarder to Mark Richard.

Hard-running halfback Mike Miller spurted 20 yards and fullback Ben Durfee then caught a Lumm toss and completed a 53-yard scoring play. Lumm followed with his short TD run.

Grand Rapids broke into the scoring in the final period and Ottawa Hills came back with Thal's two TD runs, the last on a pass interception.

OTTAWA HILLS' MIKE MILLER IS WELL SURRO

BEARS BREAK TENSION

SUCCESS IN '67

With nine big wins against one lone defeat, the 1967 Green Bears registered one of the finest records in Ottawa Hills' history. The Bears rushed for a total of 2314 yards, averaging 5.6 yards a crack—quite a contrast to their opponents' 1047 yards gained at a little over two and a half yards per carry. Supplementing their running threat, the Bears devastated their victims with a mighty aerial assault. Connecting on 32 of the 81 passes they attempted, the Big Green racked up an amazing 780 yards, while coughing up only eight interceptions.

The famed "Bear" defense not only stifled their oppositions' ground game, but ably halted the opposing passing attack as well. Intercepting twenty errant pigskins and forcing 81 of 126 passes to fall incomplete, the Bears limited their adversaries ta 426 yards on 45 receptions. Statistically the Green Bears ranked as one of the top Class "A" teams in the state of Ohio.

O'Hara and Lakeside fullback Mark Casle were the only unanimous selections in a vote of the league coaches.

Ottawa Hills Rises Again

By JOHN GUGGER
Times Sports Writer

Jim O'Hara, 6-foot-2 with eyes of blue, stayed at home with the flu.

But Ottawa Hills' football team, meanwhile, practiced Tuesday. Not very well, but it practiced.

"We sure didn't look like much out there," head coach Norm Niedermeier said.

Perhaps the Green Arrows are saving their punch for games. They have won their opening two games of the 1967 season by 26 and 24 points.

O'Hara, a four-year veteran who made All-State halfback for Class A schools last fall, is the nucleus around which Ottawa Hills builds.

He scored 10 touchdowns as a sophomore, 21 in his junior year, and already has scored four this year. He also throws his 198 pounds at ball carriers from a linebacker position on defense.

"There isn't a better football player in Toledo," Niedermeier said. "Our kids look up to Jim. With all the honors he has, he's got an excellent attitude. Some boys would go off the deep end if they got the attention O'Hara has received."

Otsego, Grand Rapids, Woodville, Lakeside, Norwalk St. Paul, and Elmore are the other league members.

Working with O'Hara in the backfield are junior quarterback John Lumm, senior fullback Ben Durfee, and either Mike Miller or Dick Thal at the other halfback slot.

Durfee, who went to the state tennis finals in doubles last spring, played football as a junior for the first time. Lumm started six games as a freshman, but he didn't see much action last year.

The Arrows stress speed with a pair of nimble linemen, Bob Dorrell and Tim Powell.

Dorrell, at 185 pounds, plays tackle both ways, while Powell, at 180 pounds, is a guard on offense and a tackle on defense.

Though only 33 years old, Niedermeier, a University of Michigan graduate, is in his 11th year at Ottawa Hills.

"The era of O'Hara ended just as it began—spectacularly." After four strenuous, thrilling seasons—332 points for Jim O'Hara. In his Senior year, Jim achieved the ultimate for a high school athlete; he captured the title—"Back of the Year" in the state of Ohio.

O'Hara Adds All-Ohio To Other Grid Honors

All-Northwest District back of the year and now All-Ohio first-team choice.

That's the tribute paid to Ottawa Hills' fine senior running back, Jim O'Hara. The All-Ohio football honor came Wednesday when the Associated Press released its Class A "dream team."

Chip Carstensen of Start, Gary Lea of Bowsher, and Richard Thal of Ottawa Hills have been named to the group of Scholar-Athlete Award winners by the Toledo Chapter of the National Football Foundation Hall of Fame. They and the other six winners will be honored at a banquet Dec. 27.

Thal ranks second in his class of 88 with a 3.9 accumulative. He played defensive back for the Lakeshore Conference champion Green Bears and also carried the ball 76 times for 505 yards and six touchdowns. He also is president of the student council.

Hard, Hustling Defense The Law At Ottawa Hills

Dick Kuzma has a simple rule for his Ottawa Hills High basketball team.

"Those who hustle will play." This dictum from the Green Bears boss is the law and no player is exempt.

Scoring star Jim O'Hara found himself on the bench one game last week.

"Anytime I don't think a player is putting out 100 per cent, especially on defense, he won't play," is how Kuzma explains it.

The Green Bears lost four starters from last year's outstanding quintet but this year's club is still rolling along and leading the Lakeshore Conference in its first year in the new league.

O'Hara was the lone returning starter.

The big, all-around athlete. All-Ohio in football, is leading in scoring with an average 20 points a game.

"He could be an All-Oh basketball player too, if h worked at it," Kuzma says.

O'Hara plays guard in th Ottawa Hills attack, but rarel stays put in the backcourt. "H scores any way he can, inside and outside, and on the fa break," Kuzma says.

"He sometimes starts a play and then ends up underneath for the tip."

Defense, a tight man-to-man is the key to the Bears' suc cess.

"We're not shooting ver well," Kuzma explains. "I don think we've been over 36 pe cent as a team once. We don have great speed, but the guy are quick and aggressive an we attack the offensive tean and pick up a lot of loos balls."

With little height, the Bear suffer on the boards.

"We play a control game, the O-H coach says, "so lac of rebounding hurts us as littl as possible."

Kuzma has been alternatin seven starters in his lineup.

With O'Hara at guard have been either Tom Thomas, or Rich Thal, both quick and sure ball-handlers. Thomas is a little sparkplug who has occasionally shown scoring punch.

Dave Crawford, the only jun ior among the regulars, op erates at either forward or i the post.

Rich Hawkins is the team' best shooter. The 6-1 forward is clicking on better than 5 per cent of his field goal at tempts.

Dan McKisson and Mar Richard are forwards.

The bears are unbeaten i the league, though Northwood a league rival, surprised them in a non-league meeting. Lake side and Otsego are close be hind in the standings.

"We're in good shape," Kuz na says. "Now they have t beat us."

Woodville, Otsego, North wood, and Green Springs are still on the schedule as league games.

STUDENT COUNCIL

The aim of this year's Student Council was to serve the students. We have tried not only to improve upon traditional activities such as Homecoming, but have also created new and different projects exemplified by the Academic Banquet where top students are honored. We have discovered that when the entire group puts forth great effort in the planning and execution of a project, the results are meaningful and beneficial. The 1967-1968 school year has seen Student Council grow in importance; however, the members have also realized that Council can go further in becoming an effective tool of student expression.

I especially urge non-members to do more for Student Council in the future. It is your job to voice ideas to Council, be aware of Council's activities, and then become involved in those projects which interest you. More student participation is needed so that Council will reach its high goals.

It has been an honor to serve as Student Council president. I sincerely thank everyone who has helped make this year a success.

Next year's Council must continue to move forward. The officers and representatives must take their duties seriously and be willing to devote their time and energy to their school. All must strive toward the goal of making our school Number ONE.

ARROWHEAD

OTTAWA HILLS HIGH SCHOOL • TOLEDO, OHIO

Volume 38, Number 16 June 5, 1968

15 Staff Members Equal 15 Stupendous Issues!

The 1967-68 editions of the ARROWHEAD have made journalistic history at OHHS.

This year the newspaper began with a record low of four staff members. With hard work and perseverance, the staff grew to 15.

Deadlines and decisions comprise the days of each staff member. There is so much to be done on a newspaper that every person is essential to a smooth operation. How true it is that the sum of the parts equal the whole. Result: a newspaper and a job well done.

Staff members Fink, Elder, Page, Crawford, Fruchtman, Mrs. Smith, Shopneck, and Adams beat the deadline.

Students Stage A Surprise Celebration

ARROWHEAD staff looks on as Mrs. Smith makes a wish.

The hard-working staff of the ARROWHEAD certainly believes the old adage about all work and no play.

The staff took a day-off November 21, to celebrate advisor Mrs. Smith's birthday with a surprise party.

A beautiful cake, punch, and flowers from Mrs. Adams made a perfect party and a memorable day.

A birthday poem was written for and dedicated to "Muffus Smuff" as she is fondly called by the staff.

Defy Dreadful Deadline!

Excitement comes to the world of a journalist in the form of a challenge called Deadline Day. Here's how Room 207 often appears.

"Pooh" Elder and "Mirth" Adams are editing fast and furiously as the hours fly.

Editorialist Barb rushes to state the ARROWHEAD'S stand on important issues.

"Crawdad" Crawford dashes to headline the sports, while Businessman Bob completes the "ad-ing."

Then picture Arnold finishing the photographs.

Result: another remarkable ARROWHEAD for OHHS.

Reddy Says: We Want People to "Get Ahead"

Today's classrooms furnish knowledge that will help in tomorrow's world. That's why Toledo Edison urges employees to improve their skills, abilities and mental growth through company-sponsored education and training programs such as:

EDUCATION ASSISTANCE PLANS
ADVANCED MANAGEMENT COURSES
FOREMANSHIP CLASSES
SPECIAL ON THE JOB TRAINING AND STUDY

But. we also encourage other people to continue their education so they can qualify for increasingly important jobs such as those at Toledo Edison.

Education...our greatest CHALLENGE...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1935.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for these occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.

Owens-Illinois is but one of the hundreds of American business organizations concerned by this challenge and actively engaged in specific ways and means to meet it.

TOLEDO 2, OHIO

What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L·O·F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L·O·F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L·O·F Glass that makes automobiles safer. L·O·F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L·O·F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.

HOURS: 10 A.M. to 11 P.M. DAILY

a time when we both care
about the love we tenderly share.
a time when a sweet "Hello"
would fill me with a happy glow.
a time when we'd walk down the street,
and speak of our future to seek.
a time when in both our lives the skies
are blue;
but instead of one our lives are two.
a time when you'll leave me to go
to school,
just to show other people you're not a fool.
you may have to fight for your country,
but don't be alarmed.
for there'll be a girl waiting home
with open arms.
a time when your life will spin around
a social world;
while you'll share it with other girls.
time will be filled with parties and boys?
games, fun and lots of more.
a time when you'll return from school;
and I can say, "look, he's not a fool."
a happy time when I'll feel your great
embrace;
the gentle touch of your hands and face.
But the time will seem to roll around
to fast;
and you will be leaving me for school
in a dash.
there I will be standing all alone;
as I think once more it is of my own.
and as I search the skies above;
I alone will share his love.
a time when the gentle breeze will blow;
And I will hear them whisper his greet-
"Hello"
and as I will stand and softly listen;
Upon my cheeks the tears will glisten
